California Real Estate Practice - Walt Huber and Arlette Lyons

Summary: Covers all material in Real Estate Practice classes with special emphasis on California real estate procedures. Written in very clear and simple language, easy-to-read format with photographs, charts, and graphs. Includes glossary and index. Suitable for students, salespeople, brokers, and teachers seeking information about the practice of real estate in the day-to-day operations of a real estate brokerage. This textbook is designed to fulfill the course requirement necessary to take the California Real Estate Salesperson and Broker Exams.

1. Real estate business - California
2. Real property - California
